

**A collaboration between**  
**Shropshire, Telford & Wrekin Training Hub and Eden**

# Complement Plus for Healthcare Professionals

**Complement Plus** is a 16-week (15 CPD hours) award winning digital learning package. Its aim is to

equip clinicians with the knowledge and confidence necessary to give the best possible care to people living with diabetes, providing full support along the journey.

The programme consists of four modules each having a recorded lesson, eLearning, and live mentoring session.

Individuals receive a login to an online

learning portal where they can access all the resource video lessons, eLearnings and a timetable of the mentoring events.

**This programme is suitable for all HCPs i.e., GPs, Pharmacists, Practice Nurses.**
