

Portcullis Surgery, Ludlow: Salaried GP 2-8 sessions (with a view to Partnership if desired)

We are looking to welcome a GP to join our friendly and supportive team. We would like to appoint a partner but would consider salaried roles, particularly with a view to partnership.

Why choose us?

- Supportive, nurturing team valuing traditional high quality general practice whilst embracing new ideas and ways of working.
- We value the contributions of all staff in developing the practice.
- Training practice with a strong interest in education and regular debriefs.
- Excellent feedback from trainees and students. Many of our trainees have taken on salaried posts, ask to speak to one of them about us.
- Multidisciplinary team including, GPs, ANPs, ACPs, APPs, Nurses, HCAs, MHP, Physios and Pharmacists. As well as social prescribers, care co-ordinators and GP assistants.
- 3 Partner (Two GPs and ANP Partner), friendly, high-achieving, high-earning, practice.
- Stable population 7800 patients. Situated in the beautiful market town of Ludlow.
- 10-minute appointments with catch-up slots but this can be flexible, and we operate a mix of telephone consults with face-to-face appointments.
- We have a skilled admin support team including prescription clerks, document management and coding and secretarial support for referrals resulting in minimal paperwork.
- Monthly educational meetings for clinical staff to share knowledge and catch up with colleagues.
- Regular Whole Practice, Clinical Governance and Palliative Care meetings.
