Welshpool Medical Practice is a forward thinking two sided Practice, located on the Shropshire/Powys Border. Welshpool is a market town set within beautiful Mid Wales, within easy commuting distance to Oswestry, Shrewsbury, Telford, Wrexham, Chester and Ellesmere. Our main site is based in Welshpool, enveloped with a branch surgery nestled within the village of Guilsfield. Excellent schools and transport links to the Midlands and further afield.

We are a Dispensing Practice with a growing list size of 11,300 patients. Modern premises.

As an Advanced Training Practice, we offer opportunities to GP Registrars, Medical Students, Physician Associates and Student Nurses. We are proud to be an Inspectorate Wales high achieving Practice. We provide full time cover to our local Community Hospital with its inpatient beds and MIU. There is no requirement for Salaried GP's to become involved in this aspect of our rota unless it was an interest to you.

We welcome informal visits and conversations. Please contact our Practice Manager gaynor.maclennan2@wales.nhs.uk or 01938 553118 **Closing date: 22nd May 2023 Interview date: 6th June 2023**
